for numan, fowl and animal flesh, was first prepared and introduced by Dr. Geo. W. Merchant, in Lockport, N. Y., U. S. A., 1833, since which time it has stendily grown in public favor, and is now acknowledged and admitted by the trade to be the standard liniment of the country. When we make this announcement we do so without fear of contradiction, notwithstanding we are aware there are many who are more or less prejudiced against proprietary remedies especially on account of the many humbings on the market; however, we are pleased to state that such prejudice does not exist against GARGLING OH. We do not claim wonders or miracles for our limiment, but we do claim it is without an equal. It is put up in bottles of three sizes, and all we ask is that you give it a fair trial, remembering that the Oil put up with white wripper (small) is for human and

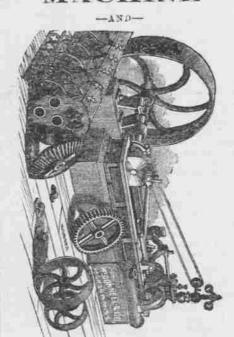

Cannot be Disputed. One of the principal reasons of the wonderful success of Mer-chant's Garging Oil is that it is manufactured strictly on honor. Its proprietors do not, as is the case with too many, after making for their medicine a name, diminish its curative properties by using inferior compounds, but use the very best goods to be bought in the market, regardless of cost. For half a century Merchant's Gargling Oil has been a synonym for honesty, and will continue to be so, long as time endures. For sale by all re-

T. G. RICHARDSON, M. D., Dean,

A lady from one of the counties of Middle Georgia, who has been acting as midwife for many years, writes: "I have disposed of all Time Morners's Friench you sent me, and I am DELIGHTED WITH IT. In every instance where it has been used its effects have been all that I could ask, I CONSIDER IT A GREAT BLESSING."

CONSIDER IT A GREAT BLESSING."

A gentleman writes: "My wife used your MOTHER'S FRIEND at her fourth confinement, and her testimony is that she passed through it with one-half of the suffering of either of her former confinements, and recovered from it in much less time. She also recommended it to a lady friend who was about to be confined for the first time, and she says: 'I HAVE NEVER SEEN ANY ONE PASS THROUGH THIS GREAT TRIAL WITH SO MUCH EASE AND SO LITTLE SUFFERING."

The names of all these, and many others, can be had by calling at my office.

Having had the foregoing remedy Thorsevently Testreo in Atlanta and vicinity, I now offer it to my patrons as possessing superior merits.

I am permitted also to refer to the following well-known citizens of Atlanta: C.S. Newton, Wm. M. Crumley, Jr., W. A. Gregg and D. Bain; all of whom are ready to teatify to the merits of the preparation.

Pestilance has kept far from our dwellings, while the health of the people has been graciously preserved. Though losses and calamity came upon our citizens along our great river by the devastating floods, yet they have been layely sweetened and sanctified by national sympathy and relief.
